

ORDERING GUIDE

This ordering guide is presented as a procedural guide. For a formal statement of policies, refer to the TERMS AND CONDITIONS OF SALE found on the Quotation form or on the Customer Acknowledgement copy of the Sales Order.

Placing an Order

When ordering a DATEL product, use the complete model number (including any part-number suffixes indicating product options) as well as a description of the product and its options. You may enter orders by telephone, FAX, or letter directly with Company Headquarters (Mansfield, MA, U.S.A.) or with any authorized DATEL field sales representative. Minimum order value and minimum per shipment amount are both \$100.

Outside the U.S.A. and Canada

Place overseas orders directly with a DATEL Sales Subsidiary Office (in Germany, France, the United Kingdom, or Japan) or with an authorized DATEL sales representative. In countries without a local DATEL sales representative, orders should be placed directly with Company Headquarters and confirmed by air mail.

Field Sales Representatives

DATEL has direct sales offices in the United States (Mansfield, MA), Germany (Munich), France (Montigny Le Bretonneux), England (Tadley), and Japan (Tokyo and Osaka). We employ an extensive network of field sales representatives throughout the U.S.A., Canada, Europe, the Far East, and other areas of the world. Only these sales representatives are authorized by DATEL to solicit sales, and any information or data received from sources other than DATEL or its authorized representatives is not considered binding.

Prices

All prices are F.O.B. Mansfield, MA, U.S.A. in U.S. dollars. Applicable federal, state, and local taxes are extra and paid by the buyer. Prices are subject to change without notice.

Quotations

Price and delivery quotations made by DATEL or any of its authorized representatives are valid for 30 days unless otherwise stated.

Discounts

Quantity discounts are available when appropriate quantities of products are ordered in a single order. OEM discounts are available on an order or contract basis. Consult Company Headquarters or your local representative for quotations or additional details.

Terms

Net 30 days.

Acknowledgment and Delivery

DATEL acknowledges all orders, including delivery and billing information, upon receipt. We ship all products in rugged commercial containers suitable for ensuring delivery under normal shipping conditions. Unless shipping specifications accompany an order, we will use the best available method. Shipping charges are normally prepaid by DATEL and billed to the customer except for air freight shipments which are sent collect. When appropriate, product data sheets and/or instructions are included with each shipment.

Order Cancellation

All orders placed with DATEL are binding and subject to cancellation charges if cancelled either before or after the scheduled shipping date. Refer to DATEL's standard Terms and Conditions for specific charges.

Warranty

DATEL warrants that all of its products are free from defects in material or workmanship under normal use and service for a period of one year from date of shipment. DATEL's obligations under this warranty are limited to replacing or repairing, at our option, at our factory or facility, any of the products which shall within the applicable period after shipment be returned to us, transportation charges prepaid, and which are, after examination, disclosed to the satisfaction of DATEL to be thus defective. The warranty does not apply to any products or equipment which have been repaired or altered, except by DATEL, or which have been subjected to misuse, negligence, or accident. Under no circumstances shall DATEL's liability exceed the original purchase price. The aforementioned provisions do not extend the original warranty period of any product which has either been repaired or replaced by DATEL.

Returns

Before returning any products, for any reason, you must receive a return material authorization (RMA) number and shipping instructions from DATEL. Items should not be returned via air freight collect as they cannot be accepted. If you do not return materials as directed above, considerable delay will be added to processing the return.

Returns Outside the U.S.A. and Canada

Contact either DATEL Headquarters, a DATEL Sales Subsidiary Office, or your local DATEL sales representative for authorization and shipping instructions before returning any materials.

Certificates of Compliance

DATEL will supply a standard Certificate of Compliance when requested to do so by a customer. Requests must be specified on the original purchase order.
